Metro Parks Tacoma

THE FINALS EVENT MARCH 5TH

Design teams from around the Puget Sound will compete for prizes and bragging rights. They will showcase their vision for the future of green infrastructure in Tacoma!

These top teams consist of a well-rounded mix of local firms, sustainability committee members and students from four universities. Concepts from each team will be delivered in six-minute presentations to the challenge jury, as well as fellow competitors and spectators. Jurors will select the winning team in each of three categories to receive a \$5,000 cash prize and trophy.
